

HELLO FROM HOLY TRINITY

It's been awhile since we sent out an email update and it's SOOO important that we keep in touch. We are a very active and vibrant parish despite the challenges we face. We are live streaming, still have outside seating on Sunday (We have been blessed with great weather) still mail out our bulletin and of course, send out email blasts. Communion at home is still available just by contacting the office. We also hope you have been enjoying our Getting to Know feature which has gone out for 8 weeks now.

We are thankful for the continued support of our parishioners, through assisting at mass, doing odd jobs, our prayer warriors, music ministry, gardeners, Knights or anyone who works behind the scenes. Thank you! We are also happy to report that we are still in a very strong financial position because of your generosity. E-giving for Sept was \$6720. Currently for the first quarter our total offertory is slightly above last year same time frame.. Also we exceeded our last years Bishop's Annual Appeal number. This year our parish donated \$8290 to the Appeal. Thank-you!

We have some exciting programs for Spiritual Growth for all. We will be having PSR virtually. Check out Kathy Hamilton's TUU website for more information. There will be a Youth Mission made possible due to The Catholic foundation grant coming up in a couple of weeks. Letters with information about this program were mailed out to you. There are additional opportunities that are planned for the next few months. Again these opportunities are due to the generosity of The Catholic Foundation Grant. In October we have a book called "No Wonder They Call It The Real Presence", which focuses on how Adoration has affected people's lives. We currently have 28 parishioners reading this book. It is an easy read and hard to put down. The message is powerful! There are a few copies available at the office if you are interested. This book was chosen because we now have weekly Adoration at Holy Trinity from 7 to 8 pm every Wednesday. So, come "Be Still and Know that I am God!"

November brings a unique opportunity to experience Matthew Kelly's live and interactive virtual presentation called "Amazing Possibilities" on Nov 5th at 8 pm. You can check it out and purchase your tickets which are \$39 at Dynamic Catholic website. Please purchase your ticket and send a copy to Cathy at the office for reimbursement from the Grant funds.

In December all parishioners will receive Matthew Kelly's latest book called "I Heard God Laugh". It is short and easy to read so you can fit it into your busy holiday schedule.

January is an opportunity for Journaling with Terry Hershey called "The Gift of Enough. if you like to write or would like give journaling a try this is for you!

We also will be holding a Men's retreat and a Women's retreat in the New Year. We hope to have something for everyone every month, so stay tuned!

This Sunday the Knights will be leading the Rosary at 10:30 am. Please join us to pray together to Our Lady.

That's it for today. Be Well and God Bless!
